Ticklemore

Sharpham Ticklemore Goat is a pasteurised, semi-hard goat milk cheese made with vegetable rennet. It's named after a street in Totnes where the popular Ticklemore Cheese Shop is located. Ticklemore has a moist and crumbly texture with a zesty, floral flavour and can sometimes be soft just under the rind. It has a white, bloomy rind and a delicious subtle lemony flavour.

Ribblesdale Gouda Gold

From the Ribblesdale cheese Company, using Jersey & Guernsey cow's milk to give a beautifully rich golden appearance and smooth texture. Gouda Gold is made in a continental style, shaped like a little flying saucer. Natural rinded and aged for 2-4 months it has semi-soft interior with a light nutty finish.

Wife Of Bath

A delicious cheese made from unpressed washed curd, then moulded in baskets and drained under its own weight. It develops a golden natural rind, flecked with white mould. The pale yellow paste has a little bounce to it, and the flavour is mild yet full. A hand-made, single herd farmhouse hard cheese of a squat shape and distinctive rind markings.

Langres

This ancient French cheese was declared CDO (Certified Designation of Origin) in 1991 then PDO (Protected Designation of Origin) in 2012. The Langres is a cheese made from cow's milk with a soft centre and a washed rind. The cheese is matured according to a very demanding method of successive washings which gives it a beautiful orange colour. It's a cheese that has a pungent, intense and characteristic aroma which gives way to a fairly mild taste.

Cote Hill Blue

Made in Market Rasen Lincolnshire. This blue cheese has a wonderful balance between the rich creaminess of the milk and peppery bite from the Penicillin Roquefort mould. It matures from a slightly chalky centre to a creamy sometime runny texture. The natural rind contains an array of moulds that develop the flavour of the cheese.

Blue Murder

A blue to die for! Mould ripened and meaty with fine threads of blue running through the creamy white paste, sweet and velvety that a mouthful can even take a non blue cheese lovers to heaven. Handcrafted by Ruaraidh Stone at Highland Fine Cheeses in Tain. Similar to their Strathdon Blue in the make, but the square shaped moulds of Blue Murder drain differently to the rounds and create a blue with a slightly smoother paste
